Phone rings...

NANCY : Hello.

JACOB : Hello, Is Nancy in, please?

NANCY : Speaking!

JACOB : Nancy, It's Jacob here. How are you doing?

NANCY : I'm doing great! Thanks, how about you?

JACOB : Just fine. Listen, my favorite band is playing in town tonight and I've got two tickets. Would you like to go with me?

NANCY : Sounds great, but what is your favorite band?

JACOB : It's U2, I love those guys they are great musicians. What do you think of them?

NANCY : I think they are OK, I don't know much about them. Who is the singer of the band?

JACOB : His stage name is Bono Vox. He sings very well.

NANCY : I think I heard something about a guy who plays in this band. I think his name is "The Edge".

JACOB : Yes, that's right. He is amazing!

NANCY : And who plays the guitar in the band? I love guitars. I actually play the guitar.

JACOB : That's exactly "the Edge". He is the guitarist.

NANCY : Wow. Nice! Where is the concert?

JACOB : It's at the Main Theater.

NANCY : I love that place. Can we meet there thirty minutes before the concert starts?

JACOB : No way! I will pick you up at your house.

NANCY : Oh... Nice, if you say so. I'll wait for you at 8 pm.

JACOB : Set! See you later Nancy!

NANCY : Bye Jacob. Take care!

BONS ESTUDOS!
