DIALOGUE:HOW OFTEN DOES HE...?
YOUR TURN

ATTENTION!

TODAY THE CLASS IS YOURS!

DIALOGUE:HOW OFTEN DOES HE...?

YOUR TURN

TED: I´d like to ask you a few questions about your son´s daily routine.

MIKE: Sure, go ahead.

TED: First of all, what´s his name again?

MIKE: His name is Thomas.

TED: Great. So, what are the best days for Thomas to have his English classes?

MIKE: Mondays and Wednesdays in the afternoon would be perfect for him.

TED: Unfortunately we don´t have any groups in the afternoon on these days.

But we have a group of kids with the same age on Saturdays.

MIKE: Oh, He takes Spanish classes three time a week and one
of the days is Saturday.

TED: So, let´s make it different, you tell me his daily routine
and we try to find a group.

MIKE: Right, so he takes Spanish classes three times a week,
every Tuesday, Thursday and Saturday.

DIALOGUE:HOW OFTEN DOES HE...?

YOUR TURN

TED: Right, how about the other days?

MIKE: Well on Mondays and Wednesdays he usually meets his classmates to study.

TED: How often do they meet?

MIKE: He usually meets them every other week.

TED: Wait, there´s a group here on Mondays and Wednesdays at noon, would that be ok?

MIKE: Well, sometimes he has lunch at my mother´s house. But I think we can
arrange that if she brings him before they have lunch.

TED: Fantastic. So, Can I put him in this group?

MIKE: Let me check with my mom first and I´ll let you know
by tomorrow at two. Ok?

TED: Sure, no problems. I´ll be on the wait.

MIKE: Right, I´ll pass by tomorrow.

TED: Ok. See you then.

MIKE: See you bye.

BONS ESTUDOS!
