**WHAT TIME DOES SHE...?
SPEAKING**

Let's practice!

Let's speak!

WHAT TIME DOES SHE...? SPEAKING

Maggie is 13 years old and she lives in New York.

She usually gets up at a quarter to seven, she takes a shower and then she gets dressed.

At 8 o'clock she goes downstairs and has breakfast with her parents and her younger sister.

She usually has milk and toasts for breakfast.

Her mother takes her to school at eight thirty because she starts school at nine o'clock sharp.

At school she has a break at ten fifty and the classes start again at eleven oh five.

WHAT TIME DOES SHE...? SPEAKING

She finishes school at a quarter to three.

In the afternoon Maggie does a lot of things.

At 4pm she goes to her guitar class and at five thirty she does yoga with her mother.

After their yoga class they go home and at 8 pm they have dinner.

After dinner they brush their teeth and around nine Maggie goes to bed.
