## DIALOGUE: HOW OFTEN DO YOU...?

LET'S PRACTICE

**JOHN:** Hi Paul, I'm thinking about spending some days with you next week. What do you say?

**PAUL:** That sounds like a great idea.

**JOHN:** Fantastic! But tell me, how's your schedule? I don't wanna bother your daily routine.

**PAUL:** Don't worry. Next week I'm gonna have a lot of free time.

**JOHN:** Great, but let me ask you, what time do you usually wake up?

**PAUL:** It depends on the day, but usually I wake up around 6 am.

**JOHN:** Wow! That's early! And what time do you go to bed?

**PAUL:** Well, never before midnight.

**JOHN:** Really? And what time do you work?

**PAUL:** I start work at 8 in the morning and finish at 6pm.

**JOHN:** And after that you go straight home. Right?

**PAUL:** Not really, I have some extra activities.

## DIALOGUE:HOW OFTEN DO YOU...?

LET'S PRACTICE

**JOHN:** Extra activities? Like what?

**PAUL :** I swim, I work out and I also take piano classes twice a week.

**JOHN :** How often do you swim?

**PAUL :** I swim three time a week.

**JOHN :** And when do you work out?

**PAUL :** Every day.

**JOHN :** How come? If you take piano classes two time a week  
and swim 3 times a week, when do you work out?

**PAUL :** Well I actually work out right after work then I do the  
other activities.

**JOHN :** So, I don't think there's a chance of spending any time with you.

**PAUL :** C'mon! Of course there is. I'm free on the weekend.

**BONS ESTUDOS!**
